Gulabi Aankhen Lyrics in Hindi

क्या कहूं मैं दिलरुबा पूरा यह जादू तेरी आँखों का यह मेरा क़ातिल हो गया गुलाबी आँखें जो तेरी देखि शराबी यह दिल हो गया मैंने सदा चाहा एहि दामन बचा लूं हसीनों से मैं तेरी कसम ख़्वाबों में भी बचता फ़िदा नाज़नीनों से मैं तौबा मगर मिल गयी तुझसे नज़र मिल गया दर्द-इ-जिगर

सुन ज़रा ओ बेखबर ज़रा सा हास्के जो देखा तूने मैं तेरा बिस्मिल हो गया गुलाबी आँखें जो तेरी देखि शराबी यह दिल हो गया सम्भालो मुझको ओ मेरे यारों संभालना मुश्किल हो गया.

Gulabi Aankhen Lyrics in English

La la la la
La la la la la la la la la
La la la la la la la la
La la la la la la la la
La la la la la la la la
Gulaabi aankhen jo teri dekhi
Sharaabi yeh dil ho gaya
Sambhaalo mujhko o mere yaaron
Sambhalna mushkil ho gaya
Dil mein mere khwaab tere
Bas tere jaise ho deewaar pe
Tujhpe fida main kyoon hua
Aata hai gussa mujhe pyaar pe

Main lut gaya maanke dil ka kaha

Main kahin tha na raha

Kya kahoon main dilruba
Pura yeh jaadu teri aankhon ka
Yeh mera kaatil ho gaya
Gulaabi aankhen jo teri dekhi
Sharaabi yeh dil ho gaya
Maine sada chaaha yehi
Daaman bacha loon haseenon se main
Teri kasam khwaabon mein bhi
Bachta fida naazneenon se main
Tauba magar mil gayi tujhse nazar
Mil gaya dard-e-jigar

Sun zara o bekhabar Zara sa haske jo dekha tune Main tera bismil ho gaya Gulaabi aankhen jo teri dekhi Sharaabi yeh dil ho gaya Sambhaalo mujhko o mere yaaron Sambhalna mushkil ho gaya.

Gulabi Aankhen Lyrics Meaning

My heart got intoxicated when it saw your pink eyes Please take care of me my friends, it's become hard to remain stable

Your dreams are there in my heart just like pictures on walls Why did I go crazy for you, I'm upset with love for that I've lost everything by listening to my heart I don't have anything left What should I say my beloved

The magic in your eyes is killing me My heart got intoxicated when it saw your pink eyes

I've always tried to protect myself from the beautiful girls
I swear on you, even in my dreams I kept running away from the beauties
But then my eyes connected with you
And I discovered the pain in my heart
Listen up you unaware one

I was wounded by you when you looked at me with a smile My heart got intoxicated when it saw your pink eyes Please take care of me my friends, it's become hard to remain stable
