## Jako Rakhe Saiyan Maar Sake Na Koi in Hindi

निगाहें रख आसमान पे  
घुमा दे तू रूख दरिया के  
निगाहें रख आसमान पे  
घुमा दे तू रूख दरिया के  
तू बनजा वो समंदर  
कर पार सके ना कोई  
रख आग तू ऐसी अंदर  
ललकार सके ना कोई

जाको रखे साइयां मार सके ना कोई  
जाको रखे साइयां मार सके ना कोई

हो.. जितने हो अंधेरे  
इक लॉ से डर जाते हैं  
उस लॉ से तू भी रोशन कर मशाले बंदेया

अब तो ये मौक़ा है  
तू हिम्मत वो दिखला दे  
के ज़माना दे ये तेरी ही मिसालें बंदेया

ऐसा इतिहास रचा दे  
इंकार सके ना कोई  
फ़ौलाद हो तेरे इरादे  
ललकार सके ना कोई

जाको रखे साइयां मार सके ना कोई  
जाको रखे साइयां मार सके ना कोई

दिन ना देखे  
रात ना देखे  
की आव अंबर  
बरसात ना देखे\*

तू खेल जा ऐसी बाज़ी  
के पिशाद सके ना कोई  
हो लहू हो तेरा राज़ी  
ललकार सके ना कोई

जाको रखे साइयां मार सके ना कोई  
जाको रखे साइयां  
साइयां..

Nigaahein rakh aasmaan pe  
Ghumade tu rukh dariya ke

Nigaahein rakh aasmaan pe  
Ghumade tu rukh dariya ke

Tu banja woh samandar  
Kar paar sake na koi  
Rakh aag tu aisi andar  
Lalkaar sake na koi  
Jako rakhe saiyan maar sake na koi  
Jako rakhe saiyan maar sake na koi

Sach ki raah pe raahiyaa  
Sach ki raah pe raahiyaa  
Haar kabhi na hoi  
Jako rakhe saiyan maar sake na koi  
Jako rakhe saiyan maar sake na koi

Jitne ho andhere  
Ik lau se darr jaate hein  
Us lau se tu bhi raushan kar mashalein bandeya

Ho... Jitne ho andhere  
Ik lau se darr jaate hein  
Us lau se tu bhi raushan kar mashalein bandeya

Ab to yeh mauka hai  
Tu himmat wo dikhlade  
Ke zamana de yeh teri hi misaalein bandeya

Aisa itihaas rachaade  
Nakaar sake na koi  
Faulaad ho tere iraade  
Lalkaar sake na koyi  
Jako rakhe saiyan maar sake na koi  
Jako rakhe saiyan maar sake na koi

Sach ki raah pe raahiyaa  
Haar kabhi na hoi  
Jako rakhe saiyan maar sake na koi

Jako rakhe saiyan maar sake na koi

Din na dekhein

Raat na dekhein

Ye kadam barsaat na dekhein

Khalbali tu aisi karde

Hairaan ho kaynaat bhi dekhe

Din na dekhein

Raat na dekhein

Ye kadam barsaat na dekhein

Khalbali tu aisi karde

Hairaan ho kaynaat bhi dekhe

Tu khel ja aisi baazi

Ke pachhad sake na koi

Ho lahu jo tera raazi

Lalkaar sake na koi

Jako rakhe saiyan maar sake na koi

Jako rakhe saiyan maar sake na koi

Sach ki raah pe raahiyaa

Haar kabhi na hoi

Jako rakhe saiyan maar sake na koi

Jako rakhe saiyan...

saiyan... saiyan... saiyan... saiyan..

## **Jako Rakhe Saiyan Maar Sake Na Koi Meaning**

Keep Your gaze fixed to the Sky

Change the flow of the rivers

Keep Your gaze fixed to the Sky

Change the flow of the rivers

Become that ocean that no one can cross

Ignite such a fire inside You that no one dares to challenge You

The one who is protected by God, no one can kill(cause harm to) him

If You walk on the road of truth, O traveller

There is no defeat

The one who is protected by God, no one can kill him

However many darkness's are there, they are all afraid of a single flame

Using that same flame, ignite Your torches

However many darkness's are there, they are all afraid of a single flame

Using that same flame, ignite Your torches

This is the right opportunity to showcase Your courage

So that the world showcases Your acts as exemplary

Do such a historic deed that no one can ever deny it  
May Your intentions be so steely that no one dares to challenge You  
The one who is protected by God, no one can kill him  
If You walk on the road of truth, O traveller, there is no defeat  
The one who is protected by God, no one can kill him

Your marching feet/steps don't care if it's day or night or even if it

is raining(bad weather)

Create such a ruckus that the whole universe stares at You in bewilderment  
Your marching feet don't care if it's day or night or even if it is raining  
Create such a ruckus that the whole universe stares at You in bewilderment

Play such a game that no one can defeat You  
If Your blood is in agreement with You, then no one will dare to challenge You  
The one who is protected by God, no one can kill him  
If You walk on the road of truth, O traveller, there is no defeat  
The one who is protected by God, no one can kill him  
The one who is protected by God, God, God!
