Yad Lagla Lyrics in Marathi

याडं लागलं गं याडं लागलं गं
रंगलं तुझ्यात याडं लागलं गं
वास ह्यो ऊसांत येई कस्तुरीचा
चाखलंया वारं ग्वाडं लागलं गं

चांद भासतो...
दिसाचं मावळाया लागलं
आस लागली...
मनात कालवाया लागलं

याडं लागलं गं याडं लागलं गं
रंगलं तुझ्यात याडं लागलं गं
वास ह्यो ऊसांत येई कस्तुरीचा
चाखलंया वारं ग्वाडं लागलं गं

सांगवंना, बोलवंना,
मन झुरतया दुरून
पळतंया कळतंया,
वळतयं मागं फिरून

सजलं गं, धजलं गं,
लाज काजला सारलं
येंधळं हे गोंधळलं
लाडं लाडं गेलं हरून

भाळलं असं
उरांत पळवाया लागलं
ओढ लागली
मनात चाळवाया लागलं

याडं लागलं गं याडं लागलं गं

सुलगंना, उलगंना,
जाळ आतल्या आतला
दुखनं हे देखनं गं
एकलच हाय साथीला

काजळीला उजळलं
पाजळुन ह्या वातीला
चांदणीला आवतान
धाडतुया रोज रातीला

झोप लागना
सपान जागवाया लागलं
पाखरू कसं
आभाळ पांघराया लागलं

Yad Lagla Lyrics English Translation / Yad Lagla Lyrics Meaning

I have become insane I have become crazy
Always in your thoughts I have become crazy
the smell of musk comes from the sugarcanes
the taste of the wind also felt sweet

The moon shows up during day light and dusk in daylight
Soul has become uncomfortable as it started to search look for you
I have become insane I have become crazy

Always in your thoughts I have become crazy
the smell of musk comes from the sugarcanes
the taste of the wind also felt sweet
Can't say, can't talk with you what's in mind from the distance soul is
dying for you

its running its turning its looking back
getting dressed up to meet you ignoring all the shame
it got confused is getting blushed

new strange feeling has started to come into heart
the heart wants to meet you and is already feeling the sweetness

pleasure
I have become insane I have become crazy

not able to understand what's happening inside heart soul
this beautiful pain is the only one with me for the company
In midnight it feels like morning after burning of lamp

every night I invite the stars
I am not able to sleep as dreams started to keep me awake
the little bird is trying to cover the whole sky
