---

Seriously? Look at her hair, ew!  
I'm trying hard not to stare, ew!  
I'm like "what the, what the?", ew!  
Right, right, ew, ew!  
Oh, you got to see this, ew!  
This girl must be from Venus, ew!  
She's looking really silly and I look like a genius, ya!  
This isn't right! Ew ew!  
No look at it look at it! Ew ew!  
No look at it look at it! Ew ew!  
Oh my gosh! Ew ew!  
Her head is such a mess  
O.M.G she thinks she's better than me  
She musta lost her mind like seriously lost her mind!  
So, I'm gonna tell my mommy and my mommy will tell my daddy  
Then my daddy will tell my aunty then we will be like ew ew!  
Now she'll be embarrassed,  
What's embarrassed?  
You know fell stupid, ya  
I am really for real she think she all that but ew ew!  
Who said she could have it?  
To me she just look ratchet! Ew!  
But seriously though who likes that? Ew!  
Right right? Ew ew!  
Look at the way she dresses  
She always has a necklace, ew!  
She's not cool, she's breaking all the rules! Ew!  
This is just horrible! Ew ew!  
Look at it, look at it! Ew ew!  
No look at it, look at it! Ew ew!  
Oh my gosh! Ew ew!

I am not rude but this girl is not cool  
I see her at my school always looking like a fool  
But I'm the one who's fresher than and no one here is better than  
I try to show them that I can be cool and be their friend

Then they just laugh and be dying, and on the inside I am crying  
I am so hot that I'm frying, now sounds like I'm wining, so  
Mirror mirror mirror mirror sat on the wall, please try and make the  
coolest kid of them all  
This girl with the hair better beware cause everywhere she be I'ma be  
there like...

Hello, my name is Zuzie, that's Zuzie with a Z  
And so I didn't say Susie originality  
My mom told me that I would be the coolest  
And if people don't like then they'll just be foolish, ya!

Come on, party people  
Why don't we bust a move  
You hear that beat bangin hard  
Let's get into the groove  
You hear that cranky sound  
Let's move it all around  
Let's stomp the ground, it's break it down  
Look at me while I break it down like... yeah!

Come on, baby... yeah!  
Uh-huh, right, baby!  
Let's get it! Yeah!  
That's how you do it, it's done!
