तेरे बिन मैं ना रहूँ मेरे बिना तू  
किथे चलिये तू किथे चलिये तू  
किथे चलिये

काटूँ कैसे रातां ओ सांवरे  
जिया नहीं जाता सुन बांवरे  
के रातां लम्बियां लम्बियां रे  
कटे तेरे संगेयाँ संगेयाँ रे  
के रातां लम्बियां लम्बियां रे  
कटे तेरे संगेयाँ संगेयाँ रे

चम चम चम अम्बरां दे तारे कहंदे ने सजना  
तू ही चंद मेरे इस दिल दा मान ले वे सजना  
तेरे बिना मेरा होवे न गुजारा  
छड़ के ना जावीं मैनु तू ही है सहारा  
काटूँ कैसे रातां ओ सांवरे  
जिया नहीं जाता सुन बांवरे

के रातां लम्बियां लम्बियां रे  
कटे तेरे संगेयाँ संगेयाँ रे  
के रातां लम्बियां लम्बियां रे  
कटे तेरे संगेयाँ संगेयाँ रे

के रातां लम्बियां लम्बियां रे  
कटे तेरे संगेयाँ संगेयाँ रे  
के रातां लम्बियां लम्बियां रे  
कटे तेरे संगेयाँ संगेयाँ रे..

## **Ke Raatan Lambiyan Lyrics Meaning in English**

---

Our stories have become famous  
Don't keep me far away from your eyes  
Where are you going, where are you going, where are you going  
My heart knows this and so do you  
That we can't live without each other  
Where are you going, where are you going, where are you going  
O sweetheart, how should I spend the nights  
Listen up, I can't live without you

The nights are very long  
I want to spend them with you  
The nights are very long

I want to spend them with you

The twinkling stars in the sky are saying that  
You're the moon of my heart, accept that  
I can't survive without you  
Don't leave me and go as you're my only support  
O sweetheart, how should I spend the nights  
Listen up, I can't live without you

The nights are very long  
I want to spend them with you  
The nights are very long  
I want to spend them with you

Our stories have become famous  
Don't keep me far away from your eyes  
I'm walking behind you, I'm walking behind you, I'm walking behind

you  
My heart knows this and so do you  
That we can't live without each other  
Where are you going, where are you going, where are you going  
O sweetheart, how should I spend the nights  
Listen up, I can't live without you

The nights are very long  
I want to spend them with you  
The nights are very long  
I want to spend them with you

The nights are very long  
I want to spend them with you  
The nights are very long  
I want to spend them with you
